1935 NOVELTIES

A Special List of New Introductions of
Recognized Merit

DAHLIA FLOWERED ZINNIA

Should you not find the certain variety of seed you want in this catalog, ask us for it. We are in touch with the leading growers in this country and abroad, and can obtain kinds not in stock in from 3 to 30 days.

CONDITIONS OF SALE

Prices quoted here are subject to market fluctuations and to being unsold upon receipt of the order.

Bags or containers will be charged at market price.

TERMS: F. O. B. California terminal, cash with orders, or 30 days net to firms of approved credit.

We recommend payment of foreign accounts by draft on any bank in Los Angeles.

P. O. Money Orders for small shipments in the United States.

NON-WARRANTY: We give no warranty, express or implied, as to purity, description, quality, productiveness, or any other matter of any seeds we send out, and we will not be in any way responsible for the crop. If our goods are not accepted on those terms, we should be notified at once.

Our seeds have been selling on their merits for the past forty-two years, and by observing the steadily increasing demand for them, we believe they have given general satisfaction.

We are always glad to receive comments from any of our customers and will give the same our careful attention.

TRADE PACKAGES

We put up trade packages or trial packages of any seeds in this price list at the rate of fifty cents each, for seeds that are priced below five dollars per ounce.

Seeds that are priced five dollars per ounce and over, the trial packages are one dollar.

We prepay freight, express or parcel post in the United States on all seeds in this list.

NASTURTIIUM DOUBLE SCARLET GLEAM (Bodger)

Ever since the introduction of Golden Gleam in 1931, interest has run high in anticipation of new colors in the double, sweet scented Gleam type of nasturtium. In introducing Scarlet Gleam this year we are giving the first answer to this demand for additional colors.

Those who have seen Scarlet Gleam growing, enthusiastically proclaim it even more intensely dazzling in color than the showy Golden Gleam. The flowers are a fiery orange scarlet, a color comparable to the brilliance of Scarlet Sage, or seeing a row of the plants one might visualize a showy border of scarlet Geraniums. The individual are of an immense size, almost three inches across, much larger than any Nasturtium ever known. The sweet fragrance is more pronounced, and the double flowers more uniformly well formed. The foliage is the same lush green characteristic of Golden Gleam, and the contrast of the large, double, fiery scarlet flowers above their cool restful green leaves attracts and holds the eye at once, while the ease with which they can be grown under almost any conditions will make Scarlet Gleam the most popular all around annual.

The plants are semi-dwarf, throwing short runners from a well rounded free flowering bush, with long wiry stems bearing the numerous flowers well above the foliage, which gives the effect of a solid mass of color.

Price Per oz., \$2.00 per ¼ lb., \$6.00 per lb., \$20.00

NASTURTIIUM DOUBLE GLEAM HYBRIDS (Bodger)

With the introduction of these Gleam Hybrids the flower world is enriched by an advance in the forward progress of the plant world. As the Dahlia Flowered Zinnias in 1924 tolled the death knell of the Single Zinnia, Double Gleam Nasturtiums in 1934 are the fountain head from which will issue the flower of tomorrow in the Nasturtium family. The Hybrids are a collection of gorgeously colored, large, well formed flowers of such dazzling beauty that the mind hesitates to credit the evidence of the eyes. Colors certainly never dreamed of before in a double nasturtium abound in profusion—glorious flowers of salmon, golden yellow, orange scarlet, cerise, cream yellow, orange, crimson, and gold flushed scarlet combine with the foliage of fresh green. They thrive under almost any cultural conditions, and this factor, combined with the brilliance of their colors, assures Gleam Hybrids of a universal popularity.

The plants are semi-dwarf, throwing short runners from well rounded free flowering bushes. Stems are long, and bear the flowers well above the foliage of the plant. In the garden or for cutting no flower could be more lovely.

Price per oz., \$2.00 per ¼ lb., \$6.00 per lb., \$20.00

NASTURTIIUM DOUBLE GOLDEN GLEAM (Bodger)

(Award of Merit, R.H.S. 1932, Gold Medal, All American Selections 1033)

Golden Gleam is maintaining its position as the best known and most popular novelty of the past two seasons, becoming even more popular as time goes on. The large, double sweet scented golden yellow flowers on long stems are borne profusely well above the bright green foliage of the neat semi-dwarf plants. Ideal for any garden use.

Price per oz., 20c per ¼ lb., 60c per lb., \$2.00

RUST-PROOF ANTHIRRINUM**Florist Pearl (A Waller-Franklin Creation)
75% Rustproof**

A very beautiful glistening white, identical in color and height to the popular greenhouse variety, White Rock, except that the individual flowers and spikes are far superior.

Price.....per 1/16 oz., \$3.00 Trade pkgs., \$1.00

RUST-PROOF ANTHIRRINUM**Maximum Crimson (A Waller-Franklin Creation)**

A magnificent Rust-proof Anthirrinum of the Maximum type, with huge individual flowers and flower spikes. The color is pure crimson overlaying a ground of orange and gives the effect of fiery crimson. Darke green foliage, plum colored stems; 75% of the plants are rust-proof.

Price.....per 1/16 oz., \$3.00 Trade pkgs., \$1.00

RUST-PROOF SNAPDRAGON**University of California Mixture**

Extensive trials were run both at Davis, Calif., and at Guadalupe over a period of many years. The Waller-Franklin Seed Co. made extensive crosses at Guadalupe independently of the University. We are offering a most excellent mixture of Anthirrinum similar to the Majus-Grand type.

Price.....per o.z., \$10.00 Trade pkgs., \$1 00

An ounce of Anthirrinum contains 150,000 seeds.

**ASTER WILT RESISTANT GOLDEN SHEAF
(Bodger)**

We take pleasure in introducing Golden Sheaf, the deepest yellow aster yet offered, and the only substance and fine depth of petal. It has all the characteristics of the Aurora type of aster so popular now with florists. The flowers last well when cut, and are excellent shippers.

Price....per oz., \$3.00 per 1/4 lb., \$9.00

**ASTER WILT RESISTANT BLUE EAGLE
(Bodger)**

In line with the trend of the times, we present Blue Eagle, one of our contributions to the code for better flowers. The color is a bright navy blue, distinct from any other dark blue or purple aster now offered, of the Giant Branching Comet class, with large, comet type flowers, fully double, on branching plants, suitable for cutting or garden use. The strain is very robust and wilt resistant.

Price....per oz., \$2.00 per 1/4 lb., \$6.00

STATICE DICKSONII

Dicksonii is undoubtedly the outstanding Statice introduction of recent years. It is quite unlike any other variety in commerce, and as far as we can discover, unknown to the trade of this country and Europe. The flowers are very large and open, borne in quantities on long stemmed large sprays which have a delightfully lacy open effect. The plants are fully hardy, rather slow growing, with tough dark green, long narrow leaves making a neat clump from which rise the sprays of deep rose flowers. Plants will not flower the first year from seed, but they are well worth waiting for an extra season.

Price....per oz., \$5.00 per 1/2 lb., \$15.00

**ASTER PAEONY FLOWERED PURPLE ROBE
(Howard-Bodger)**

Each season sees additions to this superb florist type of aster. Last year we introduced Rosebud and Silvery Rose, and now we are following these with Purple Robe, the first purple in the Paeony flowered type. The flowers are large, well formed, fully double, of a very deep shade of purple blue. We recommend Purple Robe as a new cut flower for florists.

Price....per oz., \$3.50 per 1/4 lb., \$9.00

ZINNIA FANTASY MIXED (Bodger)

New zinnias are always welcomed by home growers and florists alike. While the giant flowered varieties are still popular, the trend of late years has been toward the smaller flowered, more graceful strains. This new Fantasy Mixture meets this demand in all details: the rounded flowers are composed of a mass of shaggy ray like petals which give a delicate and refined appearance to the medium-sized double flowers, large enough to satisfy the desire for mass of color, yet small enough to lend themselves gracefully to flower arrangement. The color range includes the brightest shades of reds and orange, as well as the popular pastel pinks and cream.

Price per oz., \$3.00 per ¼ lb., \$9.00

ZINNIA DESERT GOLD (Bodger)

Several years ago we introduced the fascinating new zinnia, Crown O'Gold, in mixture. The yellow and gold shades in this mixture were immediately proclaimed the most attractive and sought after as separate colors. We are very happy now to offer these shades as Desert Gold, a variety containing the light and deep hues of gold, each petal overlaid at the base with a deeper golden yellow, giving a charming bicolor combination. Those who appreciate the finest in zinnias will welcome Desert Gold.

Price per oz., \$3.00 per ¼ lb., \$9.00

COSMOS KLONDYKE ORANGE FLARE (Bodger)

Now at least we may grow the lovely orange colored Cosmos and be assured of having flowers before frost. In most parts of the country this brilliant hued flower is practically unknown because of its late flowering habit. Realizing its beauty, however, we have bent our efforts toward producing an early flowering strain which may be enjoyed by all. We have accomplished this purpose with Orange Flare, a strain which is in full bloom less than five months from sowing. The color is the same vivid orange of the ordinary Klondyke, with attractive light green foliage.

Price per oz., \$2.00 per ¼ lb., \$6.00

TAGETES SIGNATA PUMILA LITTLE GIANT (Bodger)

One of the leading horticulturists of the country is so fond of Tagetes Signata Pumila, and so disappointed with the results obtained from any strain available, that he has given us no peace until we succeeded in developing this neat, dwarf, really compact strain. We are proud to offer Little Giant as the highest development yet attained of this pretty little Marigold, with slender fernlike foliage and an abundance of dainty, single, golden orange flowers on plants which are only four to six inches high with a spread of eight to ten inches.

Price per oz., \$1.50 per ¼ lb., \$4.80

SCHIZANTHUS SUNSET HYBRIDS (Bodger)

This carefully bred strain is the result of our years of endeavor to produce an arrestingly bright strain of this ever popular flower. Sunset Hybrids is the accomplishment of this ideal, a well balanced blend consisting of bright red and carmine shades, each butterfly-like flower delicately marked with gold or white. The two-foot plants are covered with a mass of flowers, which are excellent for cutting. One of the most easily grown garden annuals, it is also fine for pot plant use.

Price per oz., \$5.00 per ¼ lb., \$15.00

CALENDULA BODGER'S PASTEL BEDDING MIXTURE

Designed especially for the home garden, this mixture contains a balanced combination of the lighter shades of Calendulas in the dwarfer growing types. Many new shades of apricot, cream and white are included, as well as the better known orange and lemon. There is also a novel assortment of flower types. Especially adapted for border use, the stems are long enough to use the flowers for cutting as well.

Price per oz., 50c per ¼ lb., \$1.50 per lb., \$5.00

ASTER WILT RESISTANT GIANT COMET SALMON QUEEN (Bodger)

Few people realize that there is an aster of the fascinating shade of salmon found in Salmon Queen. It is a clear, pure salmon pink, blending to a rich golden salmon at the center. The flowers, large and well formed, are of the feathery Comet type, on long stemmed early flowering upright plants. A lovely aster that should be in every garden. And remember, it is wilt resistant.

Price....per oz., \$2.50 per ¼ lb., \$7.50

ESCHSCHOLTZIA DOUBLE GOLDEN GLORY (Bodger)

A welcome addition to the race of Double California Poppies, Golden Glory adds the brilliant bicolor combination of the well-known Golden West to the rapidly mounting list of double varieties. Golden Glory, with its glorious profusion of golden yellow flowers deepened at the center with orange, is indeed the brightest and showiest of all Eschscholtzias, the glory of the garden.

Price....per oz., \$2.00 per ¼ lb., \$6.00 per lb., \$20.00

MARIGOLD ROYAL SCOT

Modern as the crack Scottish Railway train The Royal Scot from which it borrowed its name, this marigold is the most striking yet introduced. The large, well-formed double flowers are produced in abundance on plants from 24 to 30 inches in height. The color is a charming combination of mahogany and gold in symmetrical stripes which radiate from the center of the flower. We feel confident that Royal Scot will be welcomed by florists and home gardeners alike.

Price....per oz., \$2.00 per ¼ lb., \$6.00 per lb., \$20.00

MARIGOLD MONARCH STRAIN (Award of Merit)

Monarch Strain has all the qualities which make up the ideal type of Dwarf Double French Marigold—dwarf compact growth, very large, tight double flowers, in a wide color range which includes combinations of orange, bronze, yellow and mahogany. Excellent for bedding or border use.

Price.....per oz., 60c per ¼ lb., \$1.80 per lb., \$6.00

CHORIZANTHE PALMERI (Turkish Rugging)

A new subject for the border or rock garden. This easily grown annual forms a dense mat of statics like flowers of a delicate pink which blends beautifully with the dull green foliage. In early fall the plant changes to a charming shade of autumn brown, which makes a bold showing at a time when Mother Nature is taking her last bow. It grows about 8 inches and has a spread of 12 to 18 inches.

Price....per oz., \$1.00 per ¼ lb., \$1.50 per lb., \$10.00

IPOMEA DOUBLE ROSE MARIE (Bodger)

Since Rose Marie was introduced by us two years ago it has enjoyed a steadily increasing popularity as it has become better known. It is an early, free flowering, clear deep rose double flowered Ipomea which makes a quick growth well covered with flowers. As the flowers are double, they give the appearance of being open even after the other Ipomeas in the garden have closed for the day.

Price.....per oz., 60c per ¼ lb., \$1.80 per lb., \$6.00

CLARKIA ELEGANS DOUBLE ENCHANTRESS

The ever increasing demand for the so-called "old-fashioned" type of flower has brought the Clarkias into their own as never before. Within the past four or five seasons there have evolved an unprecedented number of new colors in this old favorite. One of the finest of these varieties is Enchantress, light orange shading to pink, a delightful color which is sure to become a great favorite. The flowers are double and well placed on the long stems.

Price....per oz., \$1.00 per ¼ lb., \$3.00 per lb., \$10.00

DIANTHUS LACINIATUS SPLENDENS

Free flowering and easily grown, the Dianthus family has for years furnished us with some of our most popular border subjects. One of the most recent additions to this family is the sterling novelty Laciniatus Splendens, a variety which, in our opinion, is the most striking Dianthus we have ever offered. The flowers are very large, over two inches across, in a brilliant shade of crimson, with a large boldly contrasting klistering white eye.

Price...per oz., \$1.50 per ¼ lb., \$4.50 per lb., \$15.00

POPPY NUDICAULE GARTREF STRAIN

Gartref Iceland Poppies have been re-selected from the range of art shades, and as a distinctive feature most of the blooms have dark edges to the petals, contrasting with the base colors. The flowers are unusually large on long wiry stems. The color range is extensive, including pinks from shell carmine, creamy yellows to gold tones, and amber and apricot shades.

Price.....per oz., \$15.00

POPPY NUDICAULE SANDFORD'S GIANT STRAIN

Of late years there has been a great renewal of interest in Iceland Poppies. Consequently there have been many new strains developed and put on the market, and it has become necessary to choose the best one among all those offered. We have maintained extensive trials of all strains during the past two seasons, and from our findings recommend Sandford's Giants as the outstanding strain of the present day. The flowers are huge and well formed, in a wide range of colors, borne on long stiff stems, which are fine for cutting.

Price...per oz., \$5.00 per ¼ lb., \$15.00

POPPY DOUBLE CARDINAL STRAIN

We recommend Cardinal Strain for all those who love the well known Carnation Flowered type of Double Poppy. The flowers are very large, daintily fringed, fully round and double, on plants which are at least a foot shorter than the usual strain of double Poppy. They are more graceful for the home garden and give a higher percentage of flowers per plant. Blocks or rows of the separate colors are very striking, especially the Scarlet.

Price....per oz., \$1.50 per ¼ lb., \$5.00

URSINA AURORA

Aurora may be described as an intermediate form between Ursinia Anethoides and Ursinia Pulchra. Midway as to height, the habit and foliage are similar to Pulchra, with flowers resembling Anethoides, while the distinctive charm lies in the broad zone of deep crimson red which adorns the center of the bright orange flowers. We recommend Aurora very highly.

Price...per oz., \$4.00 per ¼ lb., \$12.00

SHASTA DAISY NEW GIANT DOUBLE WHITE (Diener Strain)

This strain includes an assortment of various types of double flowers ranging from the most fully fringed petaled sorts through semi-doubles, to a type which, though single, forms unusual and beautifully shaped flowers with lacinated, curled and quilled petals. The flowers are all large and carried on long wiry stems.

Price....Trial pkg., \$2.00 ¼ oz., \$10.00

GODETIA SYBIL SHERWOOD (Award of Merit)

We consider this the most beautiful Godetia yet introduced. The color is a gorgeous shade of bright salmon pink softened by an undefined edging of white. The plants are robust, about 20 inches high, strong stemmed, and so free flowering that the foliage is almost hidden from view. The flowers are ideal for cutting, with long stems and exceptional keeping qualities. We predict a bright future for Sybil Sherwood.

Price...per oz., \$4.00 per ¼ lb., \$12.00

MARIGOLD GUINEA GOLD RESELECTED (Bodger)

As a result of extensive trials of pure line selections of Guinea Gold, we have developed a re-selected strain which we take pleasure in offering at this time. We have tested and proved this in our workshop, and can confidently recommend it for good germination, trueness to type and color, and purity of stock. Since winning a Gold Medal in the All American Selections for 1933, the habit and type of Guinea Gold have become fairly well known: a compact pyramidal plant about 2½ feet high, covered with attractive blossoms. The brilliant golden orange flowers are semi-double and loosely ruffled, excellent for cutting. Its fine keeping qualities have helped to make it one of the most popular Marigolds on the market.

Price....per oz., \$1.20 per ¼ lb., \$3.60 per lb., \$12.50

VENIDIUM FASTUOSUM

(Award of Merit, All American Selections 1933)

The monarch of all the flowers brought to us from the African Veldt, Venidium Fastuosum has all the qualities that make it a garden and cutting favorite. It is easy to grow, produces large deep orange daisy-like flowers marked with a wide reddish brown center ring, and is a fine keeper. Its popularity is steadily increasing.

Price....per oz., \$6.00 per ¼ lb., \$18.00

ZINNIA TOM THUMB MIXTURE

Tom Thumb is without exception the dwarfest zinnia known. The plants are rounded and compact, 4 to 6 inches high, literally covered with well-formed flowers of the Lilliput type. The color range includes red, orange, yellow, pink, rose and other pastel shades. During the hot, dry summer months this is the ideal border plant and is also well adapted for window box and pot work.

Price....per oz., \$1.60 per ¼ lb., \$4.80 per lb., \$16.00

NEW CALENDULA, ORANGE SHAGGY (Waller-Franklin)

Deep orange in color, shading to slightly lighter orange in the center, giving the flower a delightful two-tone effect. Orange Shaggy has long stems and forms plants about 18 inches high. Orange Shaggy is a very distinct novelty. The petals are long and deeply fringed and lacinated. Row after row of these long fringed petals overlap each other in a rather irregular fashion and build up a bloom with the shaggy appearance of some chrysanthemums.

Price....per oz., \$4.00 Trade pkg., 50c

ANNUAL CANTERBURY BELLS

ANGELUS BELL, Deep Rose (Waller-Franklin)

Price.....per oz., \$5.00 Trade pkg., 50c

LIBERTY BELL, Violet Blue (Waller-Franklin)

MIXED COLORS

A new annual Campanula which blooms from seed in less than six months, plants 2½ feet, bearing 6 to 8 flower spikes. The mixture includes dark blue, light blue, pink, rose and white.

Price.....per oz., \$3.00 Trial pkg. 50c

ASTER NEW SUPER GIANT LOS ANGELES

We now offer our customers the first of a new race of Asters, which promises to supersede all other strains for cut flower use. It is the general habit of the GIANTS OF CALIFORNIA, but earlier and much larger than any of the Giants of California type yet introduced, hence the name, SUPER GIANT LOS ANGELES; but, while the flowers are large, they are most artistic, due to the unusual curling and interlacing of the petals, giving a light feathery effect. The chief difference in flower form between this strain and the Giants of California, is in a deeper, fuller centered flower in the new strain. The color is a pure shell pink, one that has been entirely lacking in the Giants of California. The stems are stronger than in the Giants of California, and usually long, while no disbudding is necessary, due to the non-lateral habit.

Price.....per oz., \$4.00 Trial pkg., 50c

CALENDULA CHRYSANTHA

The novelty which received the Gold Medal in the All American Selections. The illustration on this folder is a very good reproduction of this wonderful novelty, it shows the beautiful form, color and size.

Price.....per oz., \$1.25 Trial pkg., 50c

PETUNIA COMPACTA, ROSE OF HEAVEN

Rose Pink, a valuable variety for window boxes, borders and flower beds.

Price.....per oz., \$2.00 Trial pkg., 50c

ASTER GIANT MAMMOTH PAEONY FLOWERED SILVERY ROSE

This is a fine long-stemmed variety, of true Paeony flowered type with immense flowers of deep lavender pink, which darken as they age, leaving the tips silvery white. A striking new variety and a good addition to this type.

Price.....per oz., \$3.00 Trial pkg., 50c

ASTER GIANT MAMMOTH PAEONY FLOWERED ROSEBUD

A clear, deep rose, entirely new in this type. The flowers are large, well formed, and fully double, borne on long stems characteristic of the Paeony flowered type. We recommend this very highly, especially for florists.

HUNNEMANNIA SEMI-DOUBLE SUNLITE

Price.....per oz., \$3.00 Trial pkg., 50c

Unlike other double flowers this novelty develops a band of short petals on the outside, rather than the inside of the cup. This adds to the size and attractiveness of the flower, giving the appearance of an open flower at all times. The color is the same as the single, a clear canary yellow.

Price.....per oz., \$2.00 Trial pkg., 50c

LARKSPUR GIANT IMPERIAL BLUE BELL

We offer Blue Bell, as supplying the color up to this time lacking in the Giant Imperial type, a clear, light blue; the type is decidedly upright, with long basal branched flowering spikes.

Price.....per oz., \$1.50

LARKSPUR GIANT IMPERIAL LOS ANGELES IMPROVED

This is the popular variety LOS ANGELES, in the improved Giant Imperial type. The color is the same as in the Stock Flowered type, a brilliant rose on Salmon. It is very tall growing, truly upright, with immense basal branching flowering spikes.

Price.....per oz., \$1.50

LARKSPUR TALL DOUBLE STOCK FLOWERED ROSAMOND

This is a pure rose self, a new and distinct color in Larkspurs, which does not change with age. The height is 4 feet, and the strain is remarkably uniform, branched and heavily covered with the fully double flowers. This will supersede the old variety, Bright Rose, which fades badly.

Price.....per oz., \$1.00

SALPIGLOSSIS EMPEROR PURPLE, SELF

The color is a solid, deep purple, free from all veining, distinct from all other self colors in SALPIGLOSSIS. The flowers are large and well formed, and the color holds well.

Price.....per oz., \$1.00

Both professional and amateur gardeners are looking for something new. We highly recommend the foregoing novelties and urge you to offer them in 1934. Write to us for full particulars. We also highly recommend the Engelmänn's Special and E. Giant Pansy Seeds which are now ready for immediate delivery.

PANSY ENGELMANN'S STRAINS

After an extensive tour of the Pansy growing centers of Europe and America, we selected for distribution Engelmann's Special and Engelmann's Giant Pansies, which we consider the outstanding strains now available. The special strain is the old Scottish Show Type, re-selected to a strain of immense flowers. The colors are bronze, or rather mostly bronze, and reddish shades with some yellow edged ones. Engelmann's Giant is a very vigorous growing strain, producing flowers 3 by 4 inches across. It contains a great variety of shades, both dark and light. Both strains are compact and early flowering. Engelmann's Special is priced at \$15.00 per ounce. Engelmann's Giant is priced at \$15.00 per ounce. Trial packages sell at \$2.00 per packet.

ZINNIAS

Bodger's Gold Medal Dahlia Flowered

The following varieties are re-selected, field-grown stock and are greatly improved over previous offerings:

Per oz., \$1.20 Per ¼ lb., \$3.60 Per lb., \$12.00

Luminosa—This is an entirely new shade in Zinnias—a charming shade of bright deep pink, with a light suffusion of salmon.

El Dorado—A fascinating shade of rose on deep salmon which does not fade in the sun.

Old Gold—Glowing, burnished deep and lighter shades of old gold.

Exquisite—By far the most pleasing of our collection. Truly DAHLIA flowered as regards form and size. Color light rose with center a deep rose.

Crimson Monarch—By far the largest and best of the red shades. Flowers often eight inches in diameter. Plants very vigorous. A marvelous production of extraordinary merit.

Golden Dawn—A beautiful golden yellow of immense size and good form. Very attractive.

Canary Bird—A delicate shade of primrose—very large and holds its color well until out of bloom.

Oriole—We consider this the most beautiful of its class. It is an immense orange and gold bicolor, changing slightly as it ages, but at all times worthy of the beautiful bird for which it is named.

Dream—A fine, deep lavender, turning purple, a new, desirable shade in Zinnias.

Scarlet Flame—A large, beautiful, bright scarlet, with a delightful blending of orange throughout the petal. This is not a bicolor.

Purple Prince—A fine, deep purple, large and well-formed.

Old Rose—This is adequately described by its name, as it is of the real Old Rose Shade; it is large, and for charm and beauty we consider it ranks next to Exquisite.

Illumination—Similar to Exquisite, but a striking self color of deep rose. (Tyrian Rose.)

Golden State—A very rich orange yellow. Yellow in the bud, turning to an attractive orange when in full bloom.

Polar Bear—A very large pure white, the best white yet seen in Zinnia. True Dahlia form.

Meteor—A rich, glowing deep red and the darkest of all the red shades. Fine form, with good depth of petal. Very large and more floriferous than other reds.

Lemon Beauty—This is next to Crimson Monarch in size and form. It may be described as a golden yellow on brown. Decidedly a pastel shade, and should be in every collection.

Youth—A soft shade of light flesh.

SPECIAL GOLD MEDAL MIXTURE

| A well blended mixture containing all the above novelties..... | 1.20 | 3.60 | 12.00 |

CROWN O'GOLD MIXTURE

This aristocrat among Zinnias retains its place as an outstanding novelty.

Each petal of the flower is overlaid with a deep golden yellow at the base, while carrying out the individual flower color at the tip. The color range includes the popular florist shades: Old rose, cream, yellow, carmine red, pink, etc.

Per oz., \$1.50 Per ¼ lb., \$4.50 Per lb., \$15.00

GIANT MAMMOTH TYPE or California Giants

Introduced in 1926, being convinced it was a type that would become a favorite. This is a mutation from the Dahlia Flowered type and the general approval in the past has encouraged us to go further into the development of this for florists' and general use. The great advantage of this type is that the very large flowers are of enormous size and flat, getting away from the conical type of the Giants and eliminating the stiffness that has been so objectionable in Zinnias in the past. The flowers from the time they open are attractive, making them a good cut flower from the early but until they are in full bloom. They are twice the size of the ordinary Giants.

| Special Mixture All Pink Shades. (This is a special mixture from our trial grounds, intended for florists' use) | 1.20 | 3.60 | 12.00 |
| All Colors Mixed , well balanced..... | 1.00 | 3.00 | 10.00 |

ZINNIA SCABIOSA-FLOWERED (Mixture)

Plants 2 to 2½ feet, bearing numerous medium-sized flowers, remarkably resembling the annual Scabiosa. Colors include crimson, scarlet, orange, yellow, pink and white.

Per oz., 2.50 Per ¼ lb., \$7.50 Per Trade pkt., 50c

ZINNIA LILLIPUT TOM THUMB (Mixture)

Plants 4 to 6 inches, compact, covered with well-formed flowers of the Lilliput type. Colors range through the red, orange, yellow, pink, rose and other pastel shades. Excellent as a pot plant.

Per oz., \$1.60 Per ¼ lb., \$4.80 Per Trade pkt., 50c

PUMILA PICOTEE DELIGHT SALMON ROSE

This is an extra select strain of deep salmon rose. Great care has been taken in selecting only the best "Delight" types with curled Zinnia as the best florists' cut flower on the market today and something that will sell on sight.

Per oz., \$1.60 Per ¼ lb., \$4.80 Per lb., \$16.00

DELIGHT FINEST MIXED

The assortment of colors in Delight Finest Mixed is most pleasing for both florists' and general garden use. Included are salmon shade, cream, buff, biscuit, golden yellow and lavender.

Per oz., \$1.20 Per ¼ lb., \$3.60 Per lb., \$12.00

| All Sorts Mixed | .60 | 1.80 | 6.00 |

Bodger's Improved Lilliput, Pompons or Baby Zinnias

In recent years we have devoted much time to re-selecting and "trueing up" this type of Zinnias, with the result that they are replacing the Dwarf Pumila type for bedding and cut flower purposes. Salmon Rose, Rosebud and Crimson Gem are especially useful to florists. We recommend the following collection all distinct colors:

| | Per oz. | Per ¼ lb. | Per lb. |
|---|---------|-----------|---------|
| Canary Yellow | .80 | 2.40 | 8.00 |
| Crimson Gem | .80 | 2.40 | 8.00 |
| Golden Gem | .80 | 2.40 | 8.00 |
| Rosebud (new), rose pink..... | 1.00 | 3.00 | 10.00 |
| Salmon Rose | .80 | 2.40 | 8.00 |
| Scarlet Gem (Red Riding Hood)... | .80 | 2.40 | 8.00 |
| Flesh | .80 | 2.40 | 8.00 |
| Purple | .80 | 2.40 | 8.00 |
| White Gem | .80 | 2.40 | 8.00 |
| Finest Mixed | .60 | 1.80 | 6.00 |

Haagaena (Mixed Hybrid)

| | Per oz. | Per ¼ lb. |
|--|---------|-----------|
| Double Mixed Colors , fine..... | 5.00 | 16.00 |

This is a re-selected strain with a large percentage of doubles, containing many dark shades. Very popular as a border Zinnia and makes good cut flowers.

Sanvitalia

| | Per oz. | Per ¼ lb. |
|--------------------------------|---------|-----------|
| Procumbens Double | 3.50 | 12.00 |

This is a low border plant sometimes called creeping miniature Zinnia.

ASTERS

Wilt Resistant Strains

For several years Bodger's have been working on a strain for Asters resistant to the Fusarium wilt disease which has caused so much trouble to both amateur and professional growers in recent years. The plants may be stricken with the wilt at any stage in their growth from the seedling to the flowering stage, and as yet no method of control has been discovered. We believe prevention through highly wilt-resistant strains is the only method of combating the disease.

For the past several years our work has been done in conjunction with the Department of Plant Pathology of the University of Wisconsin, who are also working along this line.

We are offering the following varieties of Fusarium wilt-resistant strains of Asters for distribution from crop 1934, which we believe will be practically immune to this disease, as proven in our plantings of the past few years, and we feel ure that by using this seed many disappointments due to crop failures will be eliminated.

ASTER WILT-RESISTANT (Bodger's)

Early Beauty (Wilt-Resistant)

CARNATION

Chabaud's Giant Double

Our plantings this year were so exceptionally fine that we again lay stress on the importance of listing this type of Carnation. By special selection we have greatly increased the size and otherwise improved this strain. In our judgment it is the best Carnation now on the market, produced from seed. We herefore, highly recommend it.

Ringens Single

This recently introduced form of *Dimorphotheca* has much the same habit as the *aurantiaca* type, though a little more dwarf, and is more free flowering.

The individual flowers are large, pure white on the inside with a conspicuous blue ring around the center or eye.

Per oz., \$1.80

Per ¼ lb., \$6.00

Ringens Double

This is a double form of the above type. The crest or double part is a bluish gray, producing a unique effect. The flowers remain open all day.

Per oz., \$3.00

Per ¼ lb., \$10.00

Mammoth Early Branching Nice

This variety is now recognized as the most valuable of all Stocks for cutting purposes and the most popular for general use.

If sown early, they come into flower as early as Dwarf Ten Week varieties; the flowers are larger, and the branching habit renders them invaluable for florists.
